Dear HR / Tech. Team Leader,

Thanks a lot for giving me this opportunity to work with yours, I'm very glad and, I'm a Software Engineer coding in Python, Django with AWS services, PostgreSQL and Restful API and working with Celery with Redis and PostgreSQL.

I have many projects with different tech. skills all of these are integrated in my resume.

I also have soft skills, I have the skill of research, problem solving and great communication skills.

Sincerely,

Mahmoud Abu-Romman
